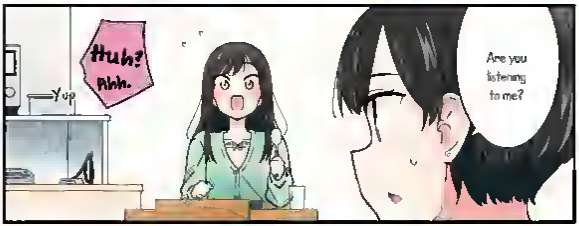
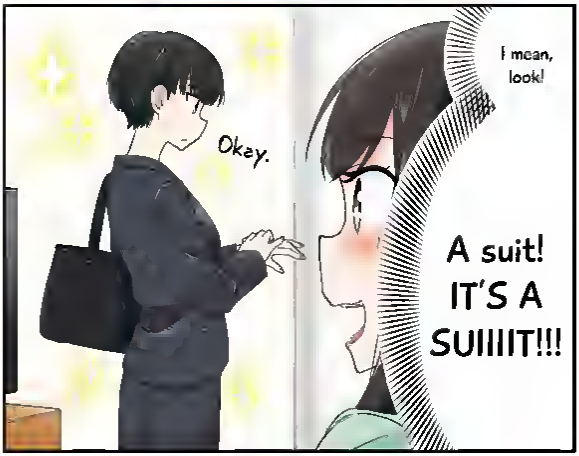
There's a convenience store nearby so if you get hungry—
I'll come home immediately after work today.



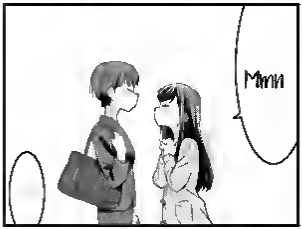
Huh?
Ahh.
Yup.
Are you listening to me?



Okay.
I mean, look!
A suit! IT'S A SUIIIIT!!!

Then I'll do it!!

I'll be off now



Mmm

She! Forgot! How! To! Kiss!
The Shocking Truth!

Okay. I'll be off now
Curse you, amnesiaaaa!!
Kachaak

Ah~ So that's what she meant!
It feels a little odd for me to initiate
Because, you were usually the one to kiss me

Guess I'll get changed and go to the convenience store
PRESS

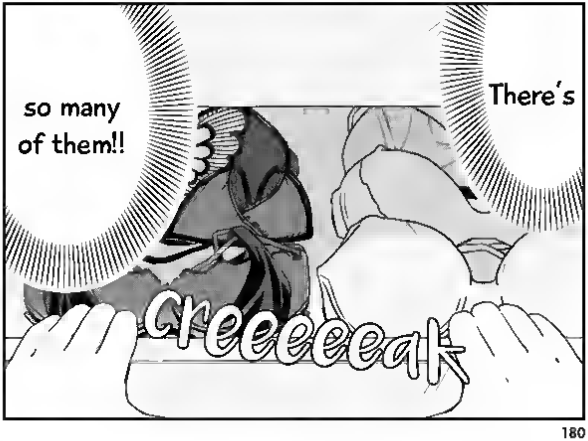
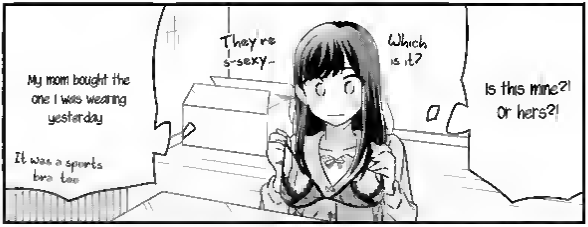
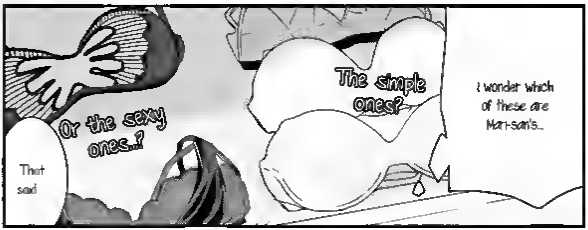
Is it here?
clatter
Let's see. Underwear underwear



so many of them!!
There's
Creeeeeak



My mom bought the one I was wearing yesterday
It was a sports bra, too
They're s-sexy-
Which is it?
Is this mine?! Or hers?!



I wonder which of these are Mari-san's...
The simple ones?
Or the sexy ones...?
That said

E-...
Either way is good!

I guess I'll pick one at random—
!!
CLICK
But it'll be kinda awkward if I don't wear a bra

Indirect Bra-ing?!
Wait!
Could this be...

Did you eat already—
KCHHK
Sorry I'm late.

Huh?!
What happened?!
Arisa!!

Ah...
I wasn't sure which of them were mine...
There were so many pairs of underwear but...
Ehh?!
Mine?!
All of the ones in that drawer are yours.
But what about yours-
No, of course I wear bras.
It would be problematic if I didn't
Bare naked?
You don't wear them?
Fuccle
